Dearest Ernie;

How are you making out
by now? I hope you haven't
sleep in any more that's awful
to go with out food and work
like one has to there.

Gayle is better I hope this
morning at least he keep his
egg and much down so far
but, I never know when he's
going start in again. He sure
has worried me. One minute
he'll be up & around the next
sick as hell, but this morning
he ~~seems~~ seems him self more.

I've never had a chance to
ans. Mrs. Moors letter and I
meant to the next day.

How is Kattie I've never
heard from her or any thing
since that day she gave up
from Provo. I didn't know her
address in Provo so I couldn't
send announcement card. Maybe
she's mad about that. Or have

you seen them?
What are we going to do for a
winter dear have you seen one
but there we could buy? maybe
I could get one at John Anderson
and have it shipped out there. Or
maybe we could get one at Ely.
Cheaper. You know I have to travel
twice a week.
- There isn't any news but I
wanted to let you know how
I like you. The baby is fine and
is now getting all good. I'm
still growing and that's as
things. I got the letter from your dad
dear and forgot to send it in
the last letter but it's in the
envelope now. So it hasn't
gone? and I should I come home
on Sat. or wait till Monday?
After you send the money?
Answer soon for I write
about you too. Please say my
question and let me know
what you are thinking for
(Gennie Oakland has another) Love & Baby.
